Dear Dr. Jemec

I want to thank you for agreeing to serve as a member of the Editorial Board of **Ecotoxicology** in the capacity of **Associate Editor for Nanomaterial Ecotoxicology**. Your established scientific reputation in this particular discipline plus your broad experience in aquatic and terrestrial ecotoxicity testing makes you well suited for this endeavor. The main responsibility of an Associate Editor, as I see it, is to assist the Editors-in-Chief in obtaining objective reviews in a timely and professional manner for manuscripts submitted for consideration for publication in **Ecotoxicology**.

The Journal currently processes manuscripts electronically and all members of the Editorial Board are provided access to the system (see: www.editorialmanager.com/ectx/).
